

Life support for the procurement process

56 Lafayette Ave, White Plains 10603 USA

## Quality Policy

It is the quality policy of Oxygen Electronics to continuously improve upon meeting or exceeding customer expectations and satisfaction for:

- Responsiveness to requests and orders,
- Delivering competitively priced product on time,
- Satisfying customer relations by offering cost effective process to procure obsolete, allocated and hard to find components,
- Oxygen sustainability and profitability,
- Maintenance of an effective ISO 9001:2000 Quality Management System.
